

SERMON NOTES/QUESTIONS

The Shepherd & His Sheep

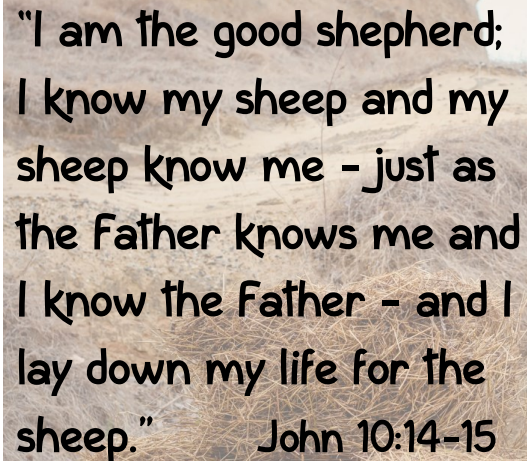

John 10

1. The Pharisees saw themselves as the shepherds of Israel. In what ways does Jesus disabuse them of this notion?
2. Jesus declares himself to be the gate for the sheep. Why is this significant?
3. Then Jesus declares that he is the good shepherd. How does he define a 'good' shepherd? In what ways are the Pharisees not 'good' shepherds?
4. Being referred to as sheep is not necessarily a compliment. In what ways should we embrace our "sheepiness"?
5. What does knowing Jesus as the Good Shepherd mean for us in our daily walk with God?

About Aging**

Date: Thursday, March 20
Time: Doors open @ 9:30
Seminar begins @ 10 am
Cost: Donations Optional

All of us have questions about how to best prepare for what may come as we age. Plan to be part of a seminar on looking at some issues of aging:

- Driving
- Moving
- Health
- Eldercare

We encourage you to invite and attend with your adult children. This information is informative for those that are caring for and supporting aging individuals

Church Directory updates - Photo updates are still welcome.

Please Note: CMBC leadership is giving Werner Schroeder a much-needed break. As a result, we will restrict our live-streaming services to Sunday morning services & HymnSing only for the next month. We appreciate your understanding.
