

CHECKING FOR BLIND SPOTS

1. Reflect on the ramifications of faith that doesn't produce works.
2. James talks about dead faith, demonic faith, and dynamic faith. Think of examples from your own life that reflect challenges of moving your faith from intellect and emotions to actively producing good works.
3. What are some of the blind spots that you struggle with?
4. What are some ways that we can ensure that our faith produces good works?

What good is it then, my brothers and sisters, if someone claims to have faith but no deeds? Can such faith save them?

James 2:14
