

## STEWARDING GOD'S FINANCES

Matthew 6:9-24

### Misconceptions:

1. What I do with my money is nobody's business but my own!
2. The Church is always asking for my money.
3. Give more so that you will get more.
4. God needs our tithes and offerings so that He can build his Kingdom.
5. Christians are commanded to tithe.

### Questions:

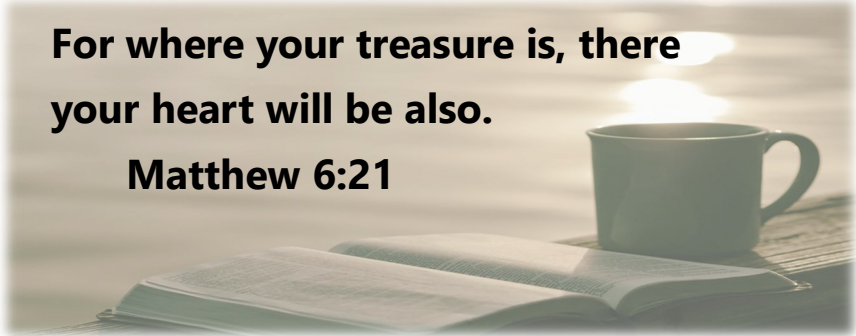

1. What is one thing that I can do to live more simply?
2. What might living generously look like for me?
3. How would you handle your finances differently this week if you knew that you would face Jesus before next Sunday?
4. What does living simply, generously, and with a sense of accountability, look like for us as a congregation?
